)	

Two objections to confirmation of debtors' fourth amended plan are before the court, one filed by WFS Financial, Inc. and one filed by Nuvelt Credit Corporation. The issue is whether the "hanging paragraph" in 11 U.S.C. § 1325 provides protection against bifurcation of creditors' secured claims. Both creditors and the Chapter 13 trustee submitted briefs in support of their positions on the objections.

In the corresponding Memorandum of Opinion, the court raised an issue which has not been addressed by the parties. In accordance with the Memorandum of Opinion, parties are hereby given until **April 30, 2007** to submit briefs on the question presented by the court. In the absence of further briefing, the court will enter an order overruling the objections to confirmation.

It is so ordered.
